CURRICULUM יהדות / ספר המצוות

The new text books from Tzivos Hashem have finally arrived. Talmidim in 'ה' & 'ו' have already begun to learn from this most beautiful full color hard cover sefer which covers all the Mitzvos of Sefer HaMada. Over the course of the year, talmidim will complete this sefer and receive one more, covering all the mitzvos in Sifrei Ahava & Zmanim as well. The curriculum is designed to spiral from 'ה' so that over the course of a 4 year cycle, talmidim will have learned every mitzva in the order of the Rambam's Sefer HaMitzvos! The pleasing design and wealth of information presented to talmidim in an enticing manner is unprecedented, and the Cheder is excited to have been involved in developing this work and implementing its study in our classrooms.

צבאות ה'

We have received a sample of the Stickerboards and the new Tehillim. Talmidim were very excited to see it and IYH each Talmid who is registered in Tzivos Hashem will be receiving theirs in about two weeks as they come from New York.

If your child is not yet registered, please send in the registration form as soon as possible, so they can be part of Tzivos Hashem, the army the Rebbe established for Jewish children, in its special brigade for students learning in Lubavitcher Moisdos. For your convenience, attached is a copy of the registration form, for those who still need to register.

MISSION ד' חשוון

In honor of the HaYom Yom of 4 Cheshvan, where the Rebbe speaks about the importance of learning Torah every day, and its effect on the entire household. Students were given a mission to learn something extra with their parents. Many Talmidim have already returned the completed mission. If you have not yet had a chance to, the mission can still be completed over Shabbos.

ז' חשוון

In honor of Zayin Cheshvan, from which the Rebbe teaches us the lesson to help another Yid, even if it means giving up something of our own, a special ahavas Yisroel mission was given. This is an introduction to the Veholachta Bidrachav - Midos Tovos campaign which will be introduced by Tzivos Hashem in the coming weeks. Please see attached mission for more details.

קדוש לבנה

This Motzei shabbos will IYH be the first Kiddush Levana of the new year, after Tishrei. The Rebbe spoke about this in 5752, and encouraged everyone to take part in Kiddush Levana especially as a preparation for greeting Moshiach. We are encouraging our Talmidim to say kiddush Levan especially with a Minyan and with singing and dancing, as the Rebbe spoke about. In Levi Yitzchak Shul there will be a special Kiddush Levana program for the children. Please see attached Kiddush Levana mission for more details.
