ה' טבת

On Sunday, ה' טבת, talmidim in א-ה' celebrated Didan Notzach with a special program. Rabbi Avraham Berns, a former librarian at the Agudas Chassidei Chabad Library spoke to the students, sharing a fascinating overview of the history of Seforim and the unique collection of Seforim, Chafeitzim and Kisvei Yad to be found in the Rebbe's library. Students were riveted by the slide show and stories and requested to sit longer than the allotted hour. Of particular interest was when Rabbi Berns allowed the students to view and handle some of the precious Seforim from his own private collection. The two-hour presentation left the students with a deeper appreciation and interest in the history of Hey Teves and with Seforim in general. Rabbi Berns presented the students with a special Teshura (momento) of his visit; a photographed copy of a page from the Ba'al Shem Tov's Siddur which is found in the Rebbe's library which he himself photographed while serving as librarian. Following the presentations, the Cheder opened its annual Hey Teves Book Fair, giving the children and their parents the opportunity to fulfill the Rebbe's directive to purchase Seforim at discounted prices in connection to Hey Teves.

Chayolim of the units have started learning the daily HaYom Yom by heart as well as explaining its lesson. Written by the Friediker Rebbe & compiled by the Rebbe, it was chosen as a most befitting topic as the Chayol prepares a most beautiful gift to the Rebbe in honor of Yud Shevat. In addition, every 5 days learned by heart will earn them a ticket into the raffle for a leather bound HaYom Yom in English. Units also have the chance to win a special gift; 1 ticket for every day that every member of the unit were successfully tested. In addition, every Chayol that gets tested on all 35 days and receives a 50 on the HaYom Yom Quiz will receive a gift. Sponsors for the Mivtza are needed; please speak to Rabbi Greenbaum.

ברכה והצלחה v

We ask that all submissions should be handed in no later Friday, 17th of Teves. You may email them to LEIBELOVITCH@YAHOO.COM
