ט"ו בשבט בחדר

Talmidim of AT"A & the Cheder PTA prepared an educational & exciting workshop for Tu B'Shevat. Visiting 5 centers, the talmidim from כתנת פריא-ד' learned about the importance of Tu B'Shevat. After learning the halachos of Tu B'Shevat they went to work filling their small pottery with earth and planting seeds, which they later brought home. They were then taught how Tu B'Shevat relates to us (עץ השדה) (כי האדם), which was followed by an Arts & Crafts project, making a tree with the help of their very own hand, filling in the tree with leaves and information that they learned; how they are like a tree. The workshop ended with a lesson on the Shivas HaMinim which was internalized by taking some of these minim on display and dipping them into our very own chocolate fountain (ask your children what bracha they made!). Thank you to the talmidim of AT"A, and to Mrs. Lieder, Mrs. Hudy Lipkier & Mrs. Gabai of the PTA for making the project so successful.

צבאות ה'

Niggun of the week - **הריקותי לכם ברכה**

The Mivtzoim mission for the month of Shevat is to fulfill the Rebbe's request to Jewish children, and be sure that we have in our rooms a Chumash, Tehillim, Siddur, Tanya and Pushka, with our names written in them (preceded by **לה' הארץ ומלואה**). Talmidim received a beautiful "Cheder Tzivos Hashem" sign to hang on their doors as they were explained about this Mivtza by the Boys from AT"A in the special Tu Bishvat program. Attached to this newsletter please find a paper explaining this mivtza. We encourage all parents to help their children in fulfilling this request of the Rebbe. Doing so, also earns you a sticker towards your Mivtzoim medal.

MONTHLY PROJECT - חילי צבאות ה'

B"H Unti Meetings are in full swing as the Chayolim are busy preparing the monthly project, "Sheferesh". Each unit must bring out their unit's theme in many ways: speech, song, taped play, banner, Powerpoint presentation & a pictorial art collage. All projects are due Rosh Chodesh Adar I. The winners of each category will be awarded a Lucite Award Trophy while the grand winner will be treated to a special trip. All inquiries should be directed to the CTH Project Coordinator Avi Baitelman of AT"A - 8th Grade. Sponsors welcome.
