Studies have shown that students who engage in extracurricular activities have many benefits. Among them are: better physical and mental health, boosted creativity, self-confidence, social skills and stress relief. Of course, their learning will thrive as well.

So sign up your child for the After School Zone, and we will provide him with extracurricular fun and learning in a safe and Chassidische environment.

- Conveniently located at Chabad of SOLA 1627 La Cienga Blvd. 90035 (On the block of Cheder Menachem)
- Instructors pick up your son from school
- Safe and Chassidische environment
