

ח"י אלול

יום הולדת של הבעש"ט ואדמו"ר הזקן

What happened on Chai Elul?

It is the

- Yartzeit of the MaHaRaL of Prague
- Birthday of the Baal Shem Tov
- Day that the Baal Shem Tov started learning with his special teacher – Achiya HaShiloni – when he was 26 years old
- Day the Baal Shem Tov revealed himself
- Birthday of the Alter Rebbe
- Alter Rebbe's Upsherenish by the Baal Shem Tov
- The Miteler Rebbe moved to the city of Lubavitch

The Special Mission is to make your own Chai Elul Farbrengen at your Shabbos table!

Here's how:

- 1) Sing a niggun of the Baal Shem Tov or the Alter Rebbe (The Sholosh Tenuos niggun or one of the 10 niggunim that the Alter Rebbe composed– here are some of them: קלי אתה, קול דודי, אבינו מלכנו, ד' בבות, בני היכלא).
- 2) Say a story of the Baal Shem Tov or the Alter Rebbe (there's a story of the Alter Rebbe printed on another page in the newsletter and a story of the Baal Shem Tov in the HaChayol magazine).

BONUS: Find a sefer from the בעל שם טוב in your house, and learn something from it.
