Introduction to this year's Limmud Inyonei Geulah  
 UMoshiach Program  
**THIS SHABBOS – 21 YEARS AGO – WAS WHEN  
 THE REBBE SAID THE FOLLOWING:**

The fastest and easiest way to bring the התגלות  
 (revelation) of Moshiach is by learning Torah about  
 Melech HaMoshiach and the Geulah.

(Source: Sicha of Tazria-Metzorah, 5751 ו' אייר-תפארת שבמלכות, )

**More Details:**

The Rebbe said this on the second Shabbos after starting the Moshiach Campaign on כה ניסן. The Parsha was תזריע-מצורע, the date was ו' אייר, and the ספירה was מלכות שבתפארת – just like today.

The Rebbe connected the day to learning about Moshiach. Tiferes is the inyan of Torah, and Malchus is the inyan of Moshiach. So תפארת שבמלכות, is the learning about Moshiach in Torah. The Rebbe said that since we have already finished everything we have to do, the fastest etc – as above. Then the Rebbe said more details about this:

**In תורה שבכתב:** All the books of Nach are full with things about Moshiach (as the Rambam writes)

**In תורה שבעל פה:** There are Gemoros in Sanhedrin and the end of Sotah, Medrashim and in פנימיות התורה, starting from the Zohar.

**In Chassidus – especially in the Maamorim and Likkutei Sichos of the Rebbe נשיא דורנו,** which is like and a preparation for learning the Torah of Moshiach.
